December 21, 2018

Dear Paxtyn Merten,

This communication is a written response regarding information request 18190774. Thank you for your interest in the Milwaukee Public Schools (MPS) Human Growth and Development (HGD) Curriculum.

MPS has made our HGD curriculum available online for the ease of sharing it with our parents and any other schools that may have an interest in using it. We have lessons at every grade level starting at 5-year old kindergarten (K5) through ninth grade. The identified curriculum can be found on the Health Education page of the MPS portal as well as translated into eight other languages. Due to the size of the documents, copies of the direct links to the curriculum by grade level are listed below:

Human Growth Development Curriculum Kindergarten - English

Human Growth Development Curriculum Grade 1 - English

Human Growth Development Curriculum Grade 2 - English

Human Growth Development Curriculum Grade 3 - English

Human Growth Development Curriculum Grade 4 - English

Human Growth Development Curriculum Grade 5 - English

Human Growth Development Curriculum Grade 6 - English

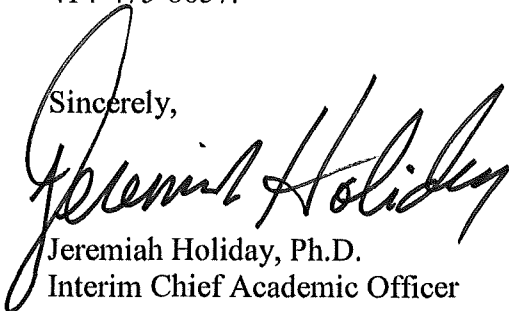

Human Growth Development Curriculum Grade 7 - English

Human Growth Development Curriculum Grade 8 - English

Human Growth Development Curriculum High School - English

If you have additional questions about the curriculum, please feel free to contact Brett Fuller, health and physical education curriculum specialist at fullerba@milwaukee.k12.wi.us or 414-475-8057.

Sincerely,

Jeremiah Holiday, Ph.D.
Interim Chief Academic Officer

Cc: Keith Posley, Ed.D., Superintendent of Schools
Sue Saller, Manager, Superintendent Initiatives
Maricha Harris, Special Assistant to the Superintendent
Jacqueline Mann, Director, Office of Board Governance

Start. Stay. Succeed.
Comienza. Quédate. Triunfa.
